

INDEX to the *Provisional* IL COMBO INDEX

When you open the PDF version of this Index on screen, in Acrobat Reader, you should see “bookmarks” listed vertically down the left-hand side of the screen. Clicking on any of these bookmarks will (should) take the screen view directly to the First Page of that Index Section. From there, you have to trawl manually, using the on-screen tools (such as repeatedly clicking the “next page” button, to find the required entry within that Section.

As this is an interim production, it has not been worth-while creating a more helpful arrangement to aid navigation of this version of the Index.

However, within Acrobat Reader, you can at any time press (and hold down) the keyboard CTRL key, and then hit key N (ie, “CTRL + N”, in PC lingo). This produces the “Go To Page” tool, into which you can type the number of the page you wish to go to, then hit ENTER, and the screen will take you direct to that page.

The list below gives the number where each part of each lengthy Section commences. So, for example, CTRL+N, 54, ENTER will take you directly to the start of Loco Owners whose name begins with “S”.

The lists below give you the principal numbers that you are most likely to require. It would be a good idea for you to print this Help File onto paper, and keep it by you when using the Index on screen.
