199	12.2.79	0-4-0ST	OC 14x22		Std	Scott & Best, Contractors (sent to Leith)	

Notes

Original records for this period are incomplete. This part of the list has been compiled from a number of sources, not all of which agree.

In some cases the owner shown may not be the original one.

Many of these locos would have names and/or numbers on despatch but most of these are not recorded in surviving Barclay sources
